Ashwater Primary School

Aim High; Be Resilient; Take Care of Each Other

Newsletter No.2 Autumn Term

Dear Families,

I am so pleased to see the children coming into school happily and aiming high in all their lessons. We are privileged to see the children at work and play and we always like to have opportunities for you to do the same.

We will be combining our Harvest Festival Assembly with an Open Class session.

Harvest Festival is an extremely important festival for us as it celebrates our agricultural community and what our farming families contribute to our society. We warmly welcome parents and carers to attend our **Harvest Festival Assembly on Thursday 22nd October at 2:30 pm**. We will be collecting for the Food Bank so please donate non-perishable foods and hygiene products in the last week before half-term.

After the Harvest Assembly, we will be having open class sessions for each class, where you will be able to come into the classroom, have a look at your child's books and the work they have done so far and say hello to their class teacher..

The Open Class will be from **3:00 – 3:30 pm on Thursday 22nd October**.

Pupil Ambassadors

Pupil Ambassadors play an important role in helping to make our school a positive, welcoming and successful place for everyone. They act as role models, demonstrating our school values through their actions, attitudes and behaviour. Ambassadors have the opportunity to develop their confidence, communication and leadership skills while representing the views of their peers and supporting key areas of school life. By taking on these responsibilities, pupils help to strengthen our school community and make a real difference to the experiences of others.

Teachers will be talking to the children about the available roles and we wanted to share this with parents so you can support your child in applying for a role, if they wish to. Of course, not everyone who applies for a role will be successful and we support the children with being resilient and praise them for aiming high and putting themselves forward.

We have the following roles available:

We are looking for pupils in Year 4 to 6 who would like to be Digital Leaders at school.

Digital Leaders help our school use technology safely and successfully. They support with technology in lessons, including helping other classes when needed. They also deliver assemblies on internet safety to pupils across the school.

You will attend School Council meetings, listen to the opinions of your classmates and share their suggestions with school leaders. Working as part of a team, you will help plan events, discuss important school matters and contribute to decisions that support our school community. This role is ideal for pupils who are responsible, confident communicators (or want to develop their communication), good listeners and keen to make a difference in school. There may be opportunities to meet with the wider Federation or DISP schools.

If you are interested, please write a short speech, explaining why you would be good at this job and why your classmates should vote for you by Monday 5th October. There will be hustings, which means you will deliver your speech to your classmates and they will then vote for who will represent them. Good luck! By taking part, you are helping us practice the British Value of Democracy.

House System

We will be talking to the children about introducing House system which will involve having two Houses. Introducing a house system is a fantastic way to

strengthen the sense of community within our school. By bringing children together in mixed-age teams, pupils develop teamwork, leadership, and a sense of belonging while building friendships across year groups. Through earning house points and taking part in a variety of competitions and events, children are encouraged to work towards our school motto and Carey Qualities. A house system also provides opportunities to celebrate a wide range of achievements, helping every child feel valued and proud to contribute to their house and the wider school community.

Children will be invited to suggest names for the Houses and we hope to have this in place by half term. There will then be further leadership opportunities for Year 6 children to put themselves forward for House Captains once the Houses are in place.

Unauthorised Holiday/Leave Request

As you will be aware, Government Guidance advises that schools should not authorise requests for term time absence unless the school has received suitable evidence of exceptional circumstances. The Government does not consider a family holiday to be an exceptional circumstance.

In the absence of suitable evidence of exceptional circumstances, on this occasion the school cannot authorise your request for a Term Time Absence. We believe that if students are to benefit from education, good attendance is crucial. It is the policy of our school to celebrate achievement, and full attendance is a critical factor to a productive and successful school career.

I must take this opportunity to remind you, that should you still choose to take your child out of school unauthorised, then the school must refer the absence to the Local Authority for the consideration of initiating Parental Responsibility Measures. If you have Parental Responsibility, this could mean receiving any of the following.

- A Penalty Notice. Should a Penalty Notice be issued, one notice will be issued to each parent/carer for each child involved. Currently, each Penalty Notice is for £160, which is reduced to £80 if paid within the first 21 days. If a Penalty Notice goes unpaid after 28 days, then court proceedings will be initiated. If a previous Penalty Notice has been issued within the past 2 years, then the Local Authority will proceed straight to Court.
- A Magistrates Summons that could lead to a criminal record, a fine of up to £2,500 and/or a term of imprisonment for up to 3 months.

We understand the disappointment that a refusal may cause, but as you can appreciate, this policy represents the school's responsibility and commitment towards ensuring your child's full and efficient education.

Yours sincerely

Mrs Ruh Alford

Executive Headteacher

British Summer Savings

Rising prices can make life's little treats harder to afford, especially during the school holidays when costs build up for families. This Government is determined to help, and that is why last month the Chancellor announced the *Great British Summer Savings* scheme.

From 25 June to 1 September 2026, the Government is temporarily cutting VAT from 20% to 5% on children's meals in restaurants, children and family tickets to cinemas, theatres, concerts and exhibitions, and admission to a wide range of attractions. Combined with free bus travel during August for children aged 5 to 15 in England, families and young people will be able to enjoy experiences that make summer special, including visits to the kinds of cultural and educational attractions that enrich children's lives outside the classroom.

The public are ready to get behind the scheme and are keen to take advantage of the discounts available. As trusted pillars of their communities, schools play a vital role in connecting families with important information.

We need you to help spread the word. So please share details of the *Great British Summer Savings* scheme through your newsletters, school apps, and other communications to parents and carers, so that the families in your school community know about the experiences they can enjoy this summer for less.

This forms part of a broader effort by the Government to ease financial pressures on families. From ending the two-child limit and expanding free school meals, to rolling out free breakfast clubs and delivering 30 hours of free childcare, this Government is taking action to put more money back into parents' pockets and give every child the best possible start in life.

As part of this campaign, we have launched an **attraction finder** website which allows families to type in their postcode and find participating venues near them to make the most of summer savings. To use the attraction finder, please visit <https://summersavings.gov.uk>.

Businesses can find out more about the VAT reduction by visiting GOV.UK and searching 'Temporary reduced rate of VAT for family attractions'.
