

Aim High; Be Resilient; Take Care of Each Other

Dear Parents,

Welcome to the Summer Term! Fingers crossed the Sun gets the memo! I hope you and your family had a good Easter.

We have been very impressed with how well the children have settled back in to school. They have matured through the year and showing an excellent 'aim high' attitude.

A number of families managed to visit Schools Exhibition at the Burton Gallery, Bideford and I hear everyone thoroughly enjoyed it. I thought the Federation work was excellent and demonstrated the 'aim high' attitude of the children and staff.

Well done to our Federation netball teams who aimed high against Hatherleigh Primary School before Easter.

Although we were not the overall winners, the children played with resilience and an aim high attitude.

Bikeability

Years 6 aimed high and were resilient in developing their cycle skills and road safety. Well done to all of them.

A huge well done for 'aiming high' and 'being resilient' to Elisabeth who passed her Grade 1 Piano exam with 'Distinction'! This is the highest level and not easily achieved. Elisabeth has been working hard with Mr Rogozinsky.

Class Page on the Website

Teachers are in the process of updating the Class Page and will put a message on Class Dojo so when they are ready.

Outlines of Support

Sometimes children need a little extra support or intervention. Teachers will be noting any additional support or intervention for those children that need it, on an 'Outline of Support' and will send these home in the next couple of weeks. Please note the 'Outline of Support' is not aimed at children with Special Educational Needs, as these children will have a 'My Plan'. Teachers will invite parents in to look at these together in the next couple of weeks.

If you have concerns that your child may have a Special Educational Need, please raise this with Mrs Casway, the Federation SENDCO. You can contact her via the school office to arrange a meeting.

Statutory Assessments

There are some assessments which are statutory so all schools are obliged to administer these. The tests are all set externally by the DfE and results form part of your child's record. If your child is in one of the year groups below they will be taking a statutory assessment this term. Results will be shared with you in their end of year report.

Year 6

As you know, Year 6 will sit the Key Stage 2 SATs this year. Here is a link to the Power Point shared at the recent meeting. It includes the SATs timetable, which some parents have asked about:

<https://www.thecareyfederation.co.uk/wp-content/uploads/SATs-meeting.pres-2024.pdf>

Year 4

Year 4 children will undertake an on-line Multiplication Check. This is carried out one-to-one with a teacher overseeing. This will take place between Monday 3rd June and Friday 14th June. To support children, please encourage them to learn their times tables and use Times Tables Rockstars frequently.

Year 1

Year 1 will undertake a Phonic Screening Check in the week of 10th June.. This is a one-to-one assessment with a teacher and tests their ability to read single words using their decoding and blending skills which they are taught during Read, Write Inc sessions. There will also be some nonsense words included. To support your child, keep hearing them read the 'Read, Write Inc' books and encourage them to sound out (or 'Fred Talk') rather than guessing the words.

Year 2 Non-Statutory Assessment

You may have heard that from this year, Year 2 SATs are no longer statutory and schools can take the decision whether to do the tests or not.

After much thought, we have taken the decision to do the tests but they will be taken much later than usual. This will allow teachers to spend time teaching the full content of the year, before the children take the test. As we will receive the test materials anyway and termly assessments are already part of the children's routine, it seems sensible to use the tests. The results will form part of your child's school assessment record, just as their end of Year 3, 4 etc. assessments will. It is likely that DCC will request the results of schools choosing to do the tests. Having discussed with other maintained school headteachers, the consensus is that schools will still do the tests.

Due to the age of the children, we try to make the tests feel like an end of term assessment that they are already used to and the children usually enjoy the challenge and rise to it. There will be four tests the children will sit: Arithmetic, Maths Reasoning and two Reading papers. Once we have confirmed when we are doing the tests, we will let you know. To support your child, please keep the 5 reads a week going and talk about the text with them to help their understanding. Please keep working on 'Reading Buddies' because this really does help with comprehension and understanding. Please continue to encourage your child to use 'Mathletics'. Results will be shared in the end of year report.

Wild Tribe

Class 2 will have Wild Tribe on Friday mornings.

On Wild Tribe days, please can children bring in waterproofs to wear over school clothes and wellington boots. If they don't have waterproofs then some other long clothing to cover arms and legs (not jeans) should be sent in. Long hair must be tied up.

Clubs

Protocol for Calling Parents After an Accident or Injury at School - March 2024

We have reviewed our protocol as we were finding staff were making around 10 – 15 phone calls a day and parents were then unsure if a call from school was urgent or not.

In an emergency medical situation, parents will be called as soon as possible and an ambulance will be called.

All head injuries will be followed by a call home and a bump note.

We will not call home for every bump, graze or scrape as this is not practical and could potentially water down any real emergency phone calls in terms of parents responding to calls.

Anything significant where we are concerned it might progress to something that later requires professional medical treatment e.g. possible breakage, will be called home. However, we are not medical professionals and cannot always know how an injury will progress. Our judgement will be based on our best judgement at the time.

Please be assured that all injuries, we are made aware of, are treated, logged in the Accident Book and the class teacher is informed so the child can be monitored through the day.

HOLSWORTHY '44

"Our Town at War" 26th - 28th July 2024

A commemoration of Holsworthy during WW2 to be held in Stanhope Park and Football Club

THE MILITARY ENCAMPMENT

There will be a military camp set up in the park consisting of several living history groups and re-enactors. From field hospital to SoE units. From the Free French to British and American troops. Plus, much more.

They will be accompanied by their vehicles and will be living exactly as if they were in action. You will be able to talk to them all and find out about the history of their units and the war time operations they represent. Such as 'Bulbasket' and 'Market Garden' etc. Tracked and halftracks and larger vehicles will be stationed in the football car park.

BLITZ SHELTER, RADAR ROOM & EVACUATION CENTRE

Sited in the football club will be the fascinating Radar Room, set up as it would have been during the war. A hands-on experience. The Blitz Shelter will be filled with sounds and smells of an air raid. Children can pretend to be evacuees in our evacuee centre, which is designed to be fun, but educational too. A minefield will provide the setting for UXB demonstrations.

BOXING MATCH AND 1940s DANCE

Friday 26th will see a boxing match between Devon and Cornwall to commemorate the Joe Louis fight that took place here. On Saturday evening there will be a 1940's dance in the Memorial Hall. The site of our event was in fact a Prisoner of War camp during WW2. Our history exhibition will cover this and other fascinating local facts.

OTHER KEY ATTRACTIONS

Military skirmish re-enactments (on Sunday); ENSA stage acts; vintage market and militaria market; NAAFI; Donut Dollies; vintage fairground games; firepower demonstrations; hand-to-hand combat demonstrations from the Marines; a pipe and drum parade; a poster competition for the schools, etc ...

WHO WE ARE

We are a not-for-profit community group who all believe in creating a tableau of living history and education surrounding Holsworthy at war. Sharing the experiences and recollections of its people, via a weekend of military might, social history and a bit of fun too!

WOULD YOU LIKE TO VOLUNTEER

Please contact us if you would like to take part in this exciting event. Perhaps as a marshal; re-enactor/living history; educational or admin support.

Holiday Requests

Please see the following message which we have been asked to share with you by Devon County Council:

We believe that in order for a pupil to fully benefit from their education, good attendance is crucial.

As of September 2013, an amendment to the Education (Pupil Registration) (England) Regulations 2006 came in to force and greater clarity was introduced to the issue of schools authorising absence requests. These changes reinforced the Government's view that every minute of every school day is vital and that pupils should only be granted authorised absences by the school in 'exceptional circumstances'.

A family holiday is not normally considered by the Government to be an 'exceptional circumstance' and therefore will not be authorised by the school.

Should you choose to take your child out of school without the authorisation of the school, then Parental Responsibility Measures could be instigated. This could mean receiving any of the following;

- *A Penalty Notice*
- *A summons to the Magistrate Court which could result in a fine of up to £2,500 and/or a term of imprisonment for up to 3 months.*

Schools are required to notify the Local Authority if a pupil has a number of unauthorised absences. Unauthorised absences can be acquired when;

- 1) Leave has been requested, but the circumstances are such that the school is unable to authorise the leave and it is taken anyway.*
- 2) Leave is not requested and/or the school has grounds to believe that the child has been taken out of school for an avoidable reason (example – a family holiday). Only the Head teacher can authorise an absence. This year there have been occasions when schools have been notified that the pupil is sick, but the school later discovers and reasonably believes that the reason given for the absence is not genuine.*
- 3) A child continually arrives late after the registration period has closed.*

Schools need to notify the Local Authority in all of the circumstances listed above.

Should a Penalty Notice be issued as a result of unauthorised absence then one notice will be issued to each parent/carer for each child involved. Currently, each Penalty Notice is for £120, which is reduced to £60 if paid within the first 21 days. If a Penalty Notice goes unpaid after 28 days, then court proceedings will be initiated.

We understand the disappointment that the refusal of a leave request may cause, but as you can appreciate this policy represents the school's responsibility and commitment towards providing your child's education and supporting their future life opportunities.

COULD YOUR CHILD BE ENTITLED TO A SUBSIDY TOWARDS THE COST OF RESIDENTIAL OR DAY TRIPS, SPORTING EVENTS, SCHOOL UNIFORM, EXTRA-CURRICULAR ACTIVITIES, BREAKFAST CLUB, AFTER SCHOOL CLUBS AS WELL AS FREE SCHOOL MEALS IN KS2?

If you are in receipt of any of the following, your child could be entitled to a subsidy towards the cost of the above:

- Universal Credit (provided you have an annual net earned income of no more than £7,400, as assessed by earnings from up to three of your most recent assessment periods).
- Income Support (IS).
- Income-based Jobseekers Allowance (IBJSA).
- Income-related Employment and Support Allowance (IRESA).
- The guaranteed element of State Pension Credit.
- Support under Part VI of the Immigration and Asylum Act 1999.
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income that does not exceed £16,190).

Working Tax Credit run-on (the payment you get for a further 4 weeks after you stop qualifying for Working Tax Credit).

Please apply even if your child is in Foundation, Year 1 or Year 2 and receives a meal under the Universal Infant Free School Meals Scheme. As well as financially benefiting as described above, your child may receive additional learning support where appropriate because of the additional funding that school receives from Government for known free school meals pupils.

How to apply

Through the Citizen Portal (https://oneonline.devon.gov.uk/CCSCitizenPortal_LIVE/Account/Login?ReturnUrl=%2fCCSCitizenPortal_live) which is the quickest and easiest way to apply and will result in you getting an instant decision.
