

Aim High; Be Resilient; Take Care of Each Other

Dear Parents,

A huge thank you to Brenda and Roy Down who came into assembly on Friday and gave each child a Coronation commemorative copy of the New Testament. Roy and Brenda commented on how respectful and well behaved the children were.

On Monday Mason, Evie and Thomas went to a Gifted and Talented sports event at Holsworthy College. They thoroughly enjoyed their morning and took part in a variety of activities.

Is your child following Andrew Tait on social media?

Please be vigilant and aware of who your child follows on YouTube, Instagram etc.

Many of you will be aware of the recent media coverage around Andrew Tait's arrest in Romania. The ongoing on-line interest in his views remain a key concern in how boys in particular are having their views on girls and women influenced in a very harmful way. Recent documentaries exploring the dangers of the INCEL movement have further raised the profile of the dangers of on-line information and the role of so called 'social influencers' who also present themselves as wealthy individuals who have a luxury lifestyle as a result of their on-line profile. As with most media coverage, while it promotes the risks and dangers of these influencers and their messaging, it also draws a greater and evidently younger audience which in turn can contradict the concerning content in raising their profile further.

We already have curriculum content linked to discrimination and harmful language which offers a counter-narrative. Many Primary schools are also reporting that influencers such as Tait who until recent months were limited more to a teenage audience, are now becoming aware of his self-promoted and publicised views through platforms such as Instagram.

MYTH BUSTING SCHOOL MEALS

"My child is a fussy eater"

Our menu offer variety and choice to suit all tastes. In our experience, children are more likely to try new foods when they have regular school meals in a social setting.

"I love my school lunches!"

"I like the different flavours and how tasty it looks on the plate!"

School Council Feedback

"They're not healthy"

Our menu consist of well-balanced dishes that adhere to the school food standards. Real fruit is used in over 50% of our dessert recipes; **we have reduced sugar content by 25%** and wholemeal flour is used in all of our bread and pastry recipes!

"I cook a meal in the evening"

We fully understand that some families eat a hot meal together in an evening so we have developed our own cold lunch options and jacket potatoes menu to help support this.

"My child has a food allergy"

We have developed 'allergen aware' menus for children with medically-defined food allergies. Registration forms can be found on our website.

Did you know, **on average less than 2% of packed lunches** from home meet all of the school food standards?
