Bikeability Level 1 & 2 Combined, Year 5 **Monday 27th April - Friday 1st May 2026**

Dear Families,

Bikeability is a Department for Transport scheme and is a way of helping children to ride safely on the roads and is aimed at children who already know how to ride a bike. It is delivered by a trained Bikeability instructor. Please note, school staff are not involved in the sessions.

Level 1 takes place on the school grounds and includes an assessment of the child's cycling proficiency. Only if the Bikeability instructor assesses the child to be of a safe standard to ride on the road, will they progress to Level 2 where the Bikeability instructor takes the children out on the public road.

Please see a letter from Bikeability on our website with a link to give your consent, also detailing safety wear and equipment needed. The deadline for signing up is 2nd of April.

Any questions, please contact the office.
