SEND Policy

September 2023

To be reviewed: September 2024

This policy should be read alongside the following school documents accessible through the school's website:

- **SEN information report**
- *Equality of Opportunity policy*
- *Medicines Policy*
- *Behaviour Policy*
- *Accessibility Policy*

PRINCIPLE

We welcome children of all abilities. All children have access to a full, broad, balanced curriculum through adaptive teaching to meet their individual needs, enabling them to reach their full potential.

All teachers are responsible for the teaching of children with special needs. We believe that parents have a vital role to play in supporting their child's education.

AIMS

We aim to:

- Meet the child's needs through flexible, adaptive, varied, high quality provision and support.
- Register, monitor and track the progress of children with Special Educational Needs and Disability
- Promote an inclusive culture.
- Ensure that resources, including human resources, are effectively managed and deployed.
- Work together with the Local Authority and outside agencies to ensure early identification of children with Special Educational Needs and Disability
- Take into account the views and wishes of the child.
- Work in partnership with parents, take into account their views, and regularly inform them about their child's progress against their Individual Education Plans (Myplans) targets.
- Write Myplans which set clear and detailed next steps for learning.
- Monitor and review practice and provision regularly to ensure all children are achieving their full potential.

SEND Report

The statutory details on the practice and provision at the Carey Federation, linked to the Devon Local Offer should be read in tandem with this policy. The SEND Report is available on the school website.

Review

This policy will be reviewed annually in line with the *school's policy review programme*.
