

EXCITING NEWS!

WE ARE DESIGNING A NEW OUTDOOR SPACE FOR CHILDREN IN CLASS 1 TO ENJOY - CAN YOU HELP US?

We are looking for the following resources:

Tyres (big or small), stones (big or small) bark chips, old slate tiles. Logs (big for seats or small).

Pallets, Pallets and Pallets to build kitchens, stages and dens. Kitchen sinks, stainless steel old pots, pans, baking trays, utensils, saucepans and lids, wooden chopping boards, spoons, jugs, brooms, dustbins, dustpans, kitchen storage containers.

CALL FOR LOOSE PARTS

When loose parts are introduced to infants and toddlers, rich, magnificent explorations transpire. Astonishing learning and unexpected capabilities are revealed as the youngest of children make sense of their world. For example, a stick can be a stirrer in a kitchen or even a magic wand. We are looking for the following:

Logs, Wicker Baskets, Wire baskets, Pebbles, Pine Cones, Corks, Shells, Sea glass, Thread

Wooden trays, Wooden Pegs, Cotton Reels, Glass beads, Buttons, Wooden Cable Spools

Spice Rack, Wooden crates, Door and Drawer Knobs, Storage Jars, Steering Wheel
