9th June 2023

Dear Parents,

I am writing to confirm the class teachers for September 2023 and updates you with staff news.

Many of you know that Mrs Batstone currently works part-time as Halwill Class 1 teacher and also at Plymouth Marjon University. She has had an exciting opportunity to work full time at the university from September 2023 and we wish her well, though we will be very sad to say goodbye to her after 14 years of excellent teaching and Maths leadership.

In September, Class 1 will be taught by Mrs Beer and Mrs Cawsey. You may know that Mrs Cawsey is the Federation SENDCo and currently teaches Class 1 at Ashwater. The move to Halwill will ensure the new children joining Reception will continue to have two strong Federation teachers. It will also enable Mrs Cawsey to have more time to dedicate to SEND support as she is a full-time member of staff but will only be in class in the second part of the week.

After a rigorous recruitment process, we have successfully recruited Rhianna Preece to be our new Class 2 teacher. Miss Preece is currently working at a school in Plymouth and will visit later in the term to meet children and parents. Further details about this will follow.

Mrs Rothery will be teaching Class 3 next year. This will give the current year 2s continuity as they move into year 3. Mrs Evans will be moving on to a new school. We thank her for all her efforts and wish her every success in the future.

Class 4 will be taught by Miss Miners, who as many of you know, is very experienced in this class.

Here is a summary of the classes:

Class 1 Mrs Laura Beer and Mrs Rosie Cawsey
Class 2 Miss Rhiannon Preece
Class 3 Mrs Alix Rothery
Class 4 Miss Jayne Miners

There will be opportunities for all children to spend time with their new teachers later in the term and you will be able to meet your child's teacher on the Open Evening on Wednesday 19th July.

Mrs Ruh Alford
