	Characteristics of Effective Learning:
	Playing and exploring: - Children investigate and experience things, and 'have a go'. Children who actively participate in their own play develop a larger store of information and experiences to draw on which positively supports their learning
	Active learning: - Children concentrate and keep on trying if they encounter difficulties. They are proud of their own achievements. For children to develop into self- regulating, lifelong learners they are required to take ownership, accept challenges and learn persistence.
	Creating and thinking critically: - Children develop their own ideas and make links between these ideas. They think flexibly and rationally, drawing on previous experiences which help them to solve problems and reach conclusions.
Λ	<b>Unique Child:</b> Every child is unique and has the potential to be resilient, capable, confident and self-assured.
OVER ARCHING	Positive Relationships: Children flourish with warm, strong & positive partnerships between all staff and parents/carers. This promotes independence across the EYFS curriculum. Children and practitioners are NOT alone – embrace each community.
PRINCIPALS	Enabling environments: Children learn and develop well in safe and secure environments where routines are established and where adults respond to their individual needs and passions and help them to build upon their learning over time.
	Learning and Development: Children develop and learn at different rates (not in different ways as it stated 2017). We must be aware of children who need greater support than others.
	PLAY: At Halwill, we understand that children learn best when they are absorbed, interested and active. We understand that active learning involves other children, adults, objects, ideas, stimuli and events that aim to engage and involve children for sustained periods. We believe that Early Years education should be as practical as possible and therefore, we are proud that our EYFS setting has an underlying ethos of 'Learning through play'. PLAY is essential for children's development across all areas. Play builds on children's confidence as they learn to explore, to relate to others around them and develop relationships, set their own goals and solve problems. Children learn by leading their own play and by taking part in play which is guided by adults.
	We will ensure that all children learn and develop well and are kept healthy and safe at ALL times.

Our values per Vight: Be Restlient: Take Care or Each Other Been Been Build Been Been Build Been Build Been Been Been Build Been Build Been Been Been Been Been Been Been Been	relationships at the heart of what we do, as we believe just laminated on classroom walls, they are embedded		cademically whilst here at Halwill. Our School motto 'Aim h eve that we develop relationships by being Resilient, Resou ed through everything we do. We want our children to lea h planned, we are aware that our children are in different p Aiming high Being curious, questioning and challenging what we are taught. Being resourceful: Making links and connections		ourceful, Reflective and Respectful. Our values are not eave us as active learners, creative and critical thinkers

Physical development	early childhood, starting with with both objects and adult balance, spatial awareness, and precision helps with hand	fren's all-round development, e sensory explorations and the de s. By creating games and provid co-ordination and agility. Gross d-eye coordination, which is late t the practice of using small tool	evelopment of a child's strength ling opportunities for play both motor skills provide the founda er linked to early literacy. Repea	n, co-ordination and positional a indoors and outdoors, adults ca tion for developing healthy bod ted and varied opportunities to	wareness through tummy time on support children to develop t lies and social and emotional w explore and play with small wo	, crawling and play movement their core strength, stability, ell-being. Fine motor control rld activities, puzzles, arts and
Fine motor Continuously check the process of children's handwriting (pencil grip and letter formation, including directionality Provide extra help and guidance when needed. Daily fine motor activities e.g. threading, cutting, weaving, playdough	Manipulate objects with good fine motor skills. Draw lines and circles. Hold pencil/paint brush. Pencil Grip. Taking shoes and coats on/off. Cut with Scissors effectively. To begin to form recognisable letters which are formed mostly correctly. Encourage use of a dominant hand.	Begin to use anticlockwise movement and retrace vertical lines. Know how to use scissors effectively. Develop muscle tone to put pencil pressure on paper Use tools to effect changes to materials Show preference for dominant hand Engage children in structured activities: guide them in what to draw, write or copy. Teach and model correct letter formation.	To know how to use scissors effectively. Begin to form letters correctly handle tools, objects, construction and malleable materials with increasing control Encourage children to draw freely. Holding Small Items / Button Clothing / zips	To handle tools, objects, construction and malleable materials safely and with increasing control. To know how to use scissors effectively. Hold pencil effectively with comfortable grip. Form recognisable letters, most correctly formed.	To use a pencil effectively to form recognisable letters, most of which are formed correctly. To know how to form letters correctly. Develop pencil grip and letter formation continually. Use one hand consistently for fine motor tasks. Cut along a straight line with scissors. Start to cut along a curved line, like a circle.	To know how to handle a range of equipment and tools effectively. Form letters correctly Cut a shape out using scissors. Begin to draw diagonal lines, like in a triangle / Start to colour inside the lines of a picture. Draw pictures that are recognizable. Build things with smaller linking blocks, such as Duplo or Lego.
Gross motor Scarf dancing /disco dough opportunities Indoor/outdoor opportunities	Coordination – Footwork Static Balance – One Leg Negotiate space Use climbing equipment safely and competently	Dynamic balance to agility – Jumping and landing Static Balance - Seated to use equipment safely and competently. To negotiate space effectively. Make anticlockwise movement and retrace vertical lines.	Dynamic Balance – On the line Static Balance – Stance To be able to balance and coordinate safely. To negotiate space effectively.	Coordination – Ball Skills Counter Balance With a partner To know why it is important to handle different apparatus safely.	Real PE Coordination – Sending and Receiving Agility – Reaction/Response	Agility – Ball Chasing Static Balance – Floor Work Show good control and co- ordination in large and small movements.
	Washing hands Putting on coats, shoes, jumpers etc. independently. Caring and using tools safely.	To show good practice with regard to exercise, eating, sleeping and hygiene. Washing hands etc.	Road Safety	Sensible amount of screen time.	Describing changes to the body when they are occur when feeling unwell, anxious, tired, angry or sad.	Staying Safe in the Sun Describing changes to the body when they are occur when feeling unwell, anxious, tired, angry or sad.

#### Gross Motor Skills ELG Children at the expected level of development will:

- Negotiate space and obstacles safely, with consideration for themselves and others;
- Demonstrate strength, balance and coordination when playing;
- Move energetically, such as running, jumping, dancing, hopping, skipping and climbing

\*Skills need practise and repetition

### Fine Motor Skills ELG Children at the expected level of development will:

- Hold a pencil effectively in preparation for fluent writing
- using the tripod grip in almost all cases;
- Use a range of small tools, including scissors, paint brushes and cutlery;
- Begin to show accuracy and care when drawing.

Literacy	both reading and writing) s and enjoy rhymes, poems	evelop a life-long love of reading starts from birth. It only develops and songs together. Skilled word on of familiar printed words. Wri	when adults talk with children d reading, taught later, involves ting involves transcription (spel	about the world around them a both the speedy working out o	and the books (stories and non- of the pronunciation of unfamili	ar printed words (decoding)
Comprehension - Developing a passion for reading Children have regular library times.	I can show interest and answer simple questions about the text Join in with rhymes and show an interest in stories with repeated refrains. Understand the five key concepts of print: - meaning - different purposes, text from left to right and from top to bottom, names of the different parts of a book Recognise initial sounds. Name writing activities. Listens to familiar stories and able to recall some facts. Knowing that words can be written. Knowing how to write the taught letters.	Retell stories Understand how stories are structured. – use vocabulary of beginning, middle and end. Sequence familiar stories. Talk about characters and events Enjoys an increasing range of books I can join in with rhymes and stories. I can fill in missing words from well-known rhymes Pie Corbett Talk4writing actions to retell the story – Story Maps Non-Fiction – writing facts. Blend sounds into words, so that they can read short words made up of known letter– sound correspondences.	Make up stories with themselves as the main character –Encourage children to record stories through picture drawing/mark making. I can tell my own stories. I can re-enact stories in my play. I use words that I know to check my reading makes sense Listen to stories and begin to anticipate what may happen next. Knowing that words can be written. Knowing what the taught letters looks like. Knowing how to write the taught letters. Recognising taught HFW in text. Read a few common exception words. To think of and write a short, simple sentence.	<ul> <li>Writing)</li> <li>Listen to stories and begin to anticipate what may happen next.</li> <li>Non-fiction - demonstrate understanding when talking about what I have read I can repeat words or phrases to check my reading</li> <li>Re-read books to build up their confidence in word reading, their fluency and their understanding.</li> <li>To know that a sentence starts with a capital letter and ends with a full stop.</li> <li>Spell some familiar words.</li> <li>Uses vocabulary and forms of speech that are increasingly influenced by their experiences of books.</li> </ul>	Retell a story with actions and / or picture prompts as part of a group - Use story language when acting out a narrative. Can explain the main events of a story - Can draw pictures of characters/ event / setting in a story. To know that illustrations can help me make sense of my reading Rhyming words. I can say rhymes by heart Begin# to notice if reading makes sense- can sometimes notice errors. Can think about what they already know to help them read To know that a sentence starts with a capital letter and ends with a full stop	Retell stories and narratives using my own words and recently introduced vocabulary (ELG) I can use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role-play (ELG) Can draw pictures of characters/ event / setting in a story Listen to stories, accurately anticipating key events & respond to what they hear with relevant comments, questions and reactions. Make predictions Begin to understand features of non-fiction Can find features of books. Sort books into categories. Know that sentences can be extended by using a

Word Reading Children will be working in different groups for Read Write Inc. consolidation of set 1 sounds and Set 2 Sounds, Green words. Ditty sheets, introduction of Red Ditty Books and Purple books for more confident readers.	RWI Set 1 – Phonic sounds – whole year group Reading: Initial sounds, oral blending, CVC sounds, Use of different methods of blending. Listen to children read aloud, ensuring books are consistent with their developing phonic knowledge	Phonic Sounds: RWI Differentiated groups Reading: Blending CVC sounds, rhyming, alliteration, knows that print is read from left to right. Spotting diagraphs in words. Children to touch each finger as they say each sound. (Fred fingers) For exception words children to identify the sound that is tricky to spell. (Red)	Phonic Sounds: RWI Ditties Reading: Rhyming strings. Children to become familiar with letter groups, such as 'th', 'sh', 'ch', 'qu''ng', 'nk'. Provide opportunities for children to read words containing familiar letter groups: 'that', 'shop', 'chin', '	Phonic Sounds: RWI (Red) Listen to children read some longer words made up of letter-sound correspondences they know: e.g. 'rabbit', 'jumping'.	Phonic Sounds: RWI (Green) Learn set 2 , Internal blending, naming letters of the alphabet. Distinguishing capital letters and lower case letters. Correspondences between letters and sounds that are unusual e.g. 'do', 'said',	Phonic Sounds: RWI (Purple) Reading: Reading simple sentences with fluency. Reading CVCC and CCVC words confidently.
Writing Use of initial sounds to write, silly soup, name writing, labels. captions, Lists, Messages – Create a Message centre Sequencing stories e.g. The Little Red Hen Writing for a purpose in role play area.	Texts as a Stimulus: Harvest poems Sequencing – Little Red hen Dominant hand, tripod grip, mark making, giving meaning to marks and labelling. Shopping lists. Writing initial sounds and simple captions. Know that words can be written. Know that words can be uritten. Know the sounds that the taught letters make. Know what taught letters look like. Know how to write the taught letters	Texts as a Stimulus: Christmas narrative Name writing, labelling using initial sounds, story scribing. Retelling stories in writing area, writing instructions. Help children identify the sound that is tricky to spell. Write a sentence To identify sounds on a sound mat and to use this when writing. Recognise taught HFW in text.	Texts as a Stimulus: Letter writing CVC words / simple sentence writing using high frequency words Write a character description Writing some of the tricky words such as I, me, my, like, to, the. Writing CVC words, Labels using CVC words. Guided writing based around developing short sentences in a meaningful context. To think of and write a short, simple sentence.	Texts as a Stimulus: Writing facts – nonfiction Recall story, create own story. Creating own story maps, writing captions and labels, writing simple sentences. Character descriptions. Write 2 sentences To know that a sentence starts with a capital letter and ends with a full stop.	Texts as a Stimulus: Labels and captions – plant life cycles Bean diary Writing recipes, lists. Writing for a purpose in role play using phonetically plausible attempts at words, begin to use spaces between words. To think of and write a short, simple sentence. Checking written work and making any changes where necessary.	Texts as a Stimulus: Rainforest text Write facts about rainforest animals Story writing, writing sentences using a range of tricky words that are spelt correctly. Begin to use full stops, capital letters and spaces. Innovation of familiar texts Using familiar texts as a model for writing own stories. Write three sentences. Form lower-case and capital letters correctly. Know that sentences can be extended by using a connective.
Possible texts and 'old favourites'	The Colour monster Supertato stories Traditional stories: Little Red hen, Three little pigs Farmer Duck The big book of families My pirate Mums	Poems about fireworks Christmas stories The Jolly postman Rama & Sita Lighting a lamp (Diwali story) Astro girl	Night monkey/Day monkey Foggy Foggy forest picture book How to catch a star Lighthouse keepers lunch NF: Nocturnal animals Tale of two feathers	Non-fiction space books Whatever next! Aliens love underpants I like outer space The way back home '10 Pomegranate Street'	Oliver's vegetables Jack & the Beanstalk Mama Miti The growing story Tree- seasons Eddie's garden The extraordinary gardener Plant non-fiction text Pip & Egg	F – Sea Creatures Rainbow fish Sharing a shell 1 is a snail 10 is a crab Sharing a shell The Lighthouse Keeper's Lunch Commotion in the Ocean

ELG: Comprehension: Children at the expected level of development will:	
- Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary.	
<ul> <li>Anticipate – where appropriate – key events in stories;</li> </ul>	
- Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role-play.	
ELG: Word Reading: Children at the expected level of development will:	
<ul> <li>Say a sound for each letter in the alphabet and at least 10 digraphs</li> </ul>	
<ul> <li>Read words consistent with their phonic knowledge by sound-blending</li> </ul>	
- Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words.	
<b>ELG: Writing:</b> Children at the expected level of development will:	
- Write recognisable letters, most of which are correctly formed.	
<ul> <li>Spell words by identifying sounds in them and representing the sounds with a letter or letters.</li> </ul>	
<ul> <li>Write simple phrases and sentences that can be read by others.</li> </ul>

#### Understanding the World

#### Past and Present ELG

Children at the expected level of development will:

- Talk about the lives of the people around them and their roles in society;

- Know some similarities and differences between things in the past and now,

drawing on their experiences and what has been read in class;

- Understand the past through settings, characters and events encountered in books read in class and storytelling;

## People Culture and Communities ELG

Children at the expected level of development will:

- Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts, and maps;

- Know some similarities and differences between different religious and cultural communities in this country, drawing on their experiences and what has been read in class;

- Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and – when appropriate – maps.

### The Natural World ELG

Children at the expected level of development will:

- Explore the natural world around them, making observations and drawing pictures of animals and plants;

- Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class;

- Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.

# **Creating with Materials ELG**

Children at the expected level of development will: -

-Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form, and function;

- Share their creations, explaining the process they have used;

- Make use of props and materials when role playing characters in narratives and stories.

## **Being Imaginative and Expressive ELG**

Children at the expected level of development will:

- Invent, adapt and recount narratives and stories with peers and their teacher;
- Sing a range of well-known nursery rhymes and songs;
- Perform songs, rhymes, poems and stories with others, and when appropriate try to move in time with music.
