

Aim High; Be Resilient; Take Care of Each Other

Dear Parents,

A warm welcome back to all our families and a special welcome to our new Reception children. The children have quickly settled in and it has been wonderful to see them come in happily in the mornings; excited for each new day.

Remembering Her Majesty the Queen

The Queen was such an important and special, constant person in all our lives and we are very aware that children may be feeling sad at her loss; in addition; if they have lost a loved one, feelings may come to the surface. With this in mind, we held a special Federation assembly via Zoom. We remembered The Queen's amazing 'Aim High' and 'Resilient' attitude, all the while 'Taking Care' of us. We thought about our favourite memories from the Jubilee and watched a video of the Royal Family talking about The Queen. We said a prayer and then a special moment came when Carter, Class 4, played the National Anthem on the cornet. I would like to personally thank Carter for being brave, aiming high and being resilient to play in front of both schools; it was a really fitting tribute and the children at both schools sat and listened attentively.

We then looked at the rainbows that appeared over Windsor Castle and Buckingham Palace we could almost imagine The Queen going up the rainbow to meet her beloved Prince Philip. Children have been encouraged to talk to adults if they are feeling upset. A suggested activity to draw a rainbow and write a memory, wish or prayer for The Queen in each colour, might help the children with this or another loss.

We ended by watching the clip of The Queen meeting Paddington Bear, which brought a smile to everyone's faces.

Our Queen is very special. When she sadly passed away there appeared a rainbow
 So draw or write all the things we love about our Queen or special wishes or prayers for her. 🍌

Winsford Hospital Federation Trip for Class 2

As part of learning about hospitals now and in the past, Class 2 will be joining Ashwater children at the Winsford Hospital this afternoon. It's a fitting place to be when we are thinking about the history of our country today.

There is an Open Day at the Winsford Hospital over the weekend. Please do go along if you can. Please see the leaflet later in the newsletter.

Home Learning

As a Federation, we have had a full review of homework We have taken into account research on effective home learning and taken into consideration pupil, parent and staff work-life balance.

There are two elements to home-learning; first is the focus on embedding the fundamental essential skills which children need, on which to build other learning. This will begin next week and information will be shared on Class Dojo.

Alongside this there will be a more creative and open ended project and parents will be invited in to see a display of the completed projects. Details of the project title and expectations will be shared on Class Dojo pages next week. The submission date this term is **Monday 14th November** and parents will be invited in to school on the **afternoon of Friday 25th November to view a display of the projects.**

Further details and explanation are in the new policy which can be found here: <https://www.thecareyfederation.co.uk/wp-content/uploads/Home-Learning-Policy-September-2022.pdf>

At the end of term, we will ask for feedback to see how parents, children and staff have found the new Home-Learning. Homework is something that there will never be universal agreement over but if there is a clear need to, we will review the policy.
