The work is being sent tomorrow, so please consent by 9:00am Tuesday 20th January, otherwise we won't be able to submit your child's work.

You will be able to view your child's work in the Annual Schools Exhibition which will run from 30 January – 15 March 2026

Invacuation / Lockdown

As you are probably aware, we undertake a termly fire drill so that all children and staff are well prepared in the unlikely event of a fire. In a similar way, today, the school carried out a planned invacuation/lockdown practice as part of our ongoing commitment to keeping everyone safe. The children were spoken to beforehand and supported throughout the practice to help reduce any anxiety and to ensure they understood what was happening. To make the explanation clear and age-appropriate, staff used a simple example of a bull coming onto the school site to help children understand why we might need to stay safely inside. The practice was calm and well managed, and the children responded sensibly and confidently.

MCAS – MY CHILD AT SCHOOL

We are delighted to update you with the news that from after February half term we will be leaving School Money and starting with MCAS, an app which is fully integrated with our school systems. This app will allow you to book and pay for your dinners, trips, uniform. We will also use this for online consents for trips and online consents for all school permissions. Any balances that are on School Money will be transferred to your MCAS account. We will be sending guidance via an email in the next couple of weeks and running parents' awareness sessions. In the mean while it would greatly assist us if any arrears could be cleared. You will only be able to book school lunches up to half term through School Money. We will open MCAS for you to book lunches on the last day of half term.

FREE SCHOOL MEALS – Are you entitled to apply?

Even though your child is entitled to universal infant free school meals in reception, year 1 and year 2, if you are eligible for free school meals it is important that you register as soon as possible as this attracts income for the school and will also allow you to benefit from:-

- **A full set of school uniform**
- **Free attendance at Breakfast and After School Clubs**
- **2/3 reduction in residential fees**

CRITERIA FOR ELIGIBILITY

Your child may be able to get free school meals if you get any of the following:

- Income Support
- income-based Jobseeker's Allowance
- income-related Employment and Support Allowance
- support under Part VI of the Immigration and Asylum Act 1999
- the guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)

Children who get paid these benefits directly, instead of through a parent or guardian, can also get free school meals.

Your child may also get free school meals if you get any of these benefits and your child is both:

Unauthorised Holiday/Leave Request

As you will be aware, Government Guidance advises that schools should not authorise requests for term time absence unless the school has received suitable evidence of exceptional circumstances. The Government does not consider a family holiday to be an exceptional circumstance.

In the absence of suitable evidence of exceptional circumstances, on this occasion the school cannot authorise your request for a Term Time Absence. We believe that if students are to benefit from education, good attendance is crucial. It is the policy of our school to celebrate achievement, and full attendance is a critical factor to a productive and successful school career.

I must take this opportunity to remind you, that should you still choose to take your child out of school unauthorised, then the school must refer the absence to the Local Authority for the consideration of initiating Parental Responsibility Measures. If you have Parental Responsibility, this could mean receiving any of the following.

- A Penalty Notice. Should a Penalty Notice be issued, one notice will be issued to each parent/carer for each child involved. Currently, each Penalty Notice is for £160, which is reduced to £80 if paid within the first 21 days. If a Penalty Notice goes unpaid after 28 days, then court proceedings will be initiated. If a previous Penalty Notice has been issued within the past 2 years, then the Local Authority will proceed straight to Court.
- A Magistrates Summons that could lead to a criminal record, a fine of up to £2,500 and/or a term of imprisonment for up to 3 months.

We understand the disappointment that a refusal may cause, but as you can appreciate, this policy represents the school's responsibility and commitment towards ensuring your child's full and efficient education.

Yours sincerely

Mrs Ruh Alford

Executive Headteacher

Safety around dogs

The bond between your child and dog can bring fun and happiness to family life. We don't expect our own dog to bite, but any dog can bite if they feel they have no other option.

Children are most likely to be bitten at home, by a familiar dog. Luckily most bites are preventable and close supervision is key.

-  **A calm, happy dog** is less likely to react unsafely to children's natural exuberance.
 - Give your dog a safe space of their own where they can go if they need time out. Have a rule to leave them alone when they're there.
 - Keep them occupied – physical exercise and mental activity help keep your dog happy.
 - Teach your child to be calm and kind with your dog. Avoid shouting, teasing or restrictive cuddles.

-  **Close supervision** is the most important thing to keep children safe.
 - Watch, listen and remain close when your child and dog are together.
 - If either your dog or child seems unhappy, positively and calmly separate them. You can throw your dog a treat or toy, or lead your child away.
 - **Understand your dog's body language** so you can spot signs they feel uncomfortable or stressed.
 - When you know you'll be distracted during busier times, use safety gates to keep children and dogs separate. Or, take your child or dog with you.

-  **Your growing child** – as your child changes, the risks can change too.
 - Teach the rules to your child from an early age and keep explaining them as your child understands more.
 - As your child becomes more mobile, review changes needed, like adding safety gates.
 - Think ahead about your changing family life and new risks that can emerge. Read our fact sheet on bringing baby home.

-  **Trigger times** – teach your child to leave your dog alone when they are:
 - Sleeping – no-one likes to be woken up suddenly.
 - Eating or having a treat – they might think you're going to take their food.
 - Have a toy or something else they really like – they might not want to share!

-  **Still worried?**
 - If you're worried by the way your dog is with your child, talk to your vet. They'll check your dog's health and can refer you to a qualified animal behaviourist.
 - Visit the **Animal Behaviour and Training Council** website to find a qualified behaviourist near you.
