

Aim High; Be Resilient; Take Care of Each Other

Dear Parents,

The children have settled back into a shorter week following the unexpected Bank Holiday. The children's rainbow tributes to Her Majesty helped them to think about her passing in a positive way.

Friends Meeting

There will be a meeting at school on Thursday 29th September at 3:00 pm. All are welcome to attend.

Pakistan Flood Appeal

Thank you to all those that donated to the Pakistan Flood Appeal. We manage to raise £75.70.

Have a conversation

It is really important to chat with your children on an ongoing basis about staying safe online. Not sure where to begin? These conversation starter suggestions can help.

Ask your children to tell you about the sites they like to visit and what they enjoy doing online.

What games do you and your friends like to play online? Can you show me the websites you visit the most? Shall we play your favourite game online together?

Ask them about how they stay safe online.

What tips do they have for you, and where did they learn them? What is OK and not OK to share?

Ask them if they know where to go for help.

Where can they go to find the safety advice, privacy settings and how to report or block on the services they use?

Think about how you each use the internet.

What more could you do to use the internet together? Are there activities that you could enjoy as a family?
