Dear Families,

We've had a lovely week with poetry day yesterday plus we had a visit from John Dougherty (Appledore book Festival). Our librarians were very welcoming and showed John around the library which he loved. He entertained the children with his book and playing the guitar!

Pupil Attendance

This week we met with our school's Devon County Council Inclusion Partner with a focus on our school overall attendance as well as looking at patterns of absence from individual children. The good news is overall attendance is good at Halwi, as you will see later in the newsletter. Thank you for supporting your child to attend school when they are well enough to be here. Sometimes, as parents, we aren't sure whether our child is well enough into school. This video gives useful clarity and guidance. Remember that we can administer Calpol or other medicines, providing you complete a Medicines Form.

https://youtu.be/i5KxggkPTw?is=4iR_aPhRxbM5TKie

A common question which we asked our Inclusion Partner, was remaining off school after sickness. She has advised that if a child is not sick due to a stomach bug e.g., they bring up phlegm in a coughing fit, then we do not need to enforce the 48 hour rule. I appreciate it can be a confusing situation so please speak to the office if you are unsure and we will do our best to guide you.

Please also remember that we are unable to authorise holiday absence requests, please see the letter at the end of the newsletter. Thank you for your continued support.

Friends Second Hand Book Sale – Friday 9th October

There will be a second hand book sale on Friday 9th October after school. If you have any books you would like to donate that would be appreciated. All books will be priced 50p or £1. Look forward to seeing you then!

Bags2School

Please leave any donations in the bike shed on Wednesday 14th October ahead of our Basg2School collection on Thursday 15th. Please avoid the morning and afternoon school drop off and pick up times. Many thanks.

Harvest Festival

Harvest Festival is an extremely important festival for us as it celebrates our agricultural community and what our farming families contribute to our society. We warmly welcome parents and carers to attend our **Harvest Festival Assembly on Tuesday 20th October at 2:30 pm**. We will be collecting for the Food Bank so please donate non-perishable foods and hygiene products in the last week before half-term.

After the Harvest Assembly, we will be having open class sessions for each class, where you will be able to come into the classroom, have a look at your child's books and the work they have done so far and say hello to their class teacher.

The Open Class will be from **3:00 – 3:45 pm on Tuesday 20th October**.

Piano teacher

I am delighted to tell you that we have secured a new piano teacher Mrs Constance (Connie) Wade. Mrs Wade will be teaching on Tuesday afternoons commencing 6th October. Next week she will be doing an assembly with the children so they can meet her and find out more about her.

Mr Alex Rogozynski is still teaching guitar, ukelele and piano but we are aware he has a waiting list.

If you are interested in private, paid for, piano lessons, please contact Mrs Wade directly on dotplayspiano@gmail.com and find out more information from her website: www.dotplayspiano@gmail.com

Pupil Ambassadors

Pupil Ambassadors play an important role in helping to make our school a positive, welcoming and successful place for everyone. They act as role models, demonstrating our school values through their actions, attitudes and behaviour. Ambassadors have the opportunity to develop their confidence, communication and leadership skills while representing the views of their peers and supporting key areas of school life. By taking on these responsibilities, pupils help to strengthen our school community and make a real difference to the experiences of others.

Teachers will be talking to the children about the available roles and we wanted to share this with parents so you can support your child in applying for a role, if they wish to. Of course, not everyone who applies for a role will be successful and we support the children with being resilient and praise them for aiming high and putting themselves forward.

Great British Summer Savings

Rising prices can make life's little treats harder to afford, especially during the school holidays when costs build up for families. This Government is determined to help, and that is why last month the Chancellor announced the *Great British Summer Savings* scheme.

From 25 June to 1 September 2026, the Government is temporarily cutting VAT from 20% to 5% on children's meals in restaurants, children and family tickets to cinemas, theatres, concerts and exhibitions, and admission to a wide range of attractions. Combined with free bus travel during August for children aged 5 to 15 in England, families and young people will be able to enjoy experiences that make summer special, including visits to the kinds of cultural and educational attractions that enrich children's lives outside the classroom.

The public are ready to get behind the scheme and are keen to take advantage of the discounts available. As trusted pillars of their communities, schools play a vital role in connecting families with important information.

We need you to help spread the word. So please share details of the *Great British Summer Savings* scheme through your newsletters, school apps, and other communications to parents and carers, so that the families in your school community know about the experiences they can enjoy this summer for less.

This forms part of a broader effort by the Government to ease financial pressures on families. From ending the two-child limit and expanding free school meals, to rolling out free breakfast clubs and delivering 30 hours of free childcare, this Government is taking action to put more money back into parents' pockets and give every child the best possible start in life.

As part of this campaign, we have launched an **attraction finder** website which allows families to type in their postcode and find participating venues near them to make the most of summer savings. To use the attraction finder, please visit <https://summersavings.gov.uk>.

Businesses can find out more about the VAT reduction by visiting GOV.UK and searching 'Temporary reduced rate of VAT for family attractions'.
