Positive COVID test

Dear Parent/Carer

Unfortunately, a child in Year 3 and Year R have tested positive for COVID and have been advised to isolate for at least the next 5 days.

I do ask you to regularly monitor the health of your child and to follow the recent COVID guidance announced by the Government where children who test positive are advised to stay at home and avoid contact with other people for at least 5 full days, and then continue to follow the guidance until they have received 2 negative test results on consecutive days.

The health and safety of all members of our school community is vitally important and I do thank you for your cooperation and understanding.

We wish the children and families well.

If you have any questions please do not hesitate to contact the school.

Yours sincerely

Ruh Alford
Executive Headteacher
