30th September 2021

Dear Parent/Carer,

Unfortunately, yesterday a child at Ashwater School tested positive for COVID-19 using a Lateral Flow Test, this has not yet been confirmed with a PCR test.

The child has not been in school for several days so it is unlikely that children and staff will be regarded as close contacts. Even if they are deemed to be, children below 18 years and 6 months and fully vaccinated adults are not required to isolate, so the positive COVID case does not affect them. However I do advise you to regularly monitor the health of your child and take a PCR test if they show any COVID symptoms, which may include 'flu or heavy cold like symptoms.

Our best wishes go to the child and family; we hope for a speedy recovery.

If you have any questions please do not hesitate to contact me via the Ashwater or Halwill school offices.

Thank you for your understanding.

Yours sincerely,

Ruh Alford
Executive Headteacher
