

Ashwater Primary School

Preschool Admissions Policy

July 2023

Policy Updated: July 2023

Policy Review Date: July 2024

As a community school Devon County Council (DCC) is the admission authority and has responsibility for setting these admission arrangements. The decision-making process is delegated to the schools governing body; the oversubscription criteria and nursery admissions policy set by DCC must be followed by VC and community schools.

1. The Ethos of Ashwater Primary School

- In the Carey Federation, we are aspirational learners who build Relationships by being Resilient, Resourceful, Reflective and Respectful
- We aim to promote a culture that develops the Carey Qualities in our children. We do this by: actively exploring the meaning of each Carey Quality with the children, nurturing the Carey Qualities through every aspect of school life, praising children for their efforts in embracing the Carey Qualities

Aim High – always aim to do the very best you can in whatever challenges you face and believe you can succeed.

Be Resilient – you cannot succeed without failing so never give up.

Take Care of Each Other – always be kind and thoughtful to your friends, classmates, younger children and adults.

2. Early Years Funding for two-, three- and four-year-olds

- All three- and four-year-olds are entitled to a funded early years place for 570 hours a year over no fewer than 38 weeks of the year. Some children, whose parents are working, will be entitled to 1140 hours a year.
- Some two-year-olds are eligible for a funded place in provision that Devon County Council has approved as being good or better quality. Our preschool is an approved provider and can admit two-year-olds from the start of the funding period following their second birthday or at the start of the term in which they have their third birthday or takes three-year olds from their third birthday for two-year-old funding children.
- Please check whether you can get a funded place for your two-year-old, you should [check here](#).

From the Early Years and Childcare team

- We expect to admit children that will be using their Early Years Funding as well as children whose parents are buying additional hours and those that are both funded and buying hours. There may be some children who are only attending for bought hours and some that only attend for funded hours. The maximum amount of funded time that can be taken in a day is 6 hours; parents cannot use more than two sites for funded early years places in one day.

3. Admissions to the preschool

- Ashwater Pre-School can take children from their second birthday until they begin school.

4. Points of Admission to preschool

- Generally, children will start at preschool at the beginning of a term, but can start during the term after a discussion with the EHT. Eligibility for the Early Years Funding for two-year-olds is from the start of the funding period following a child's second birthday and eligibility for all three-years-olds to receive the Early Years Funding is at the start of the funding period following their third birthday. This funding will be paid up until the time when the child reaches statutory school age if the parent chooses to defer or delay entry into school.
- There is a legal requirement that all children begin full time education by the beginning of the term following their **fifth** birthday. All places offered in reception at the normal round are for **full-time admission** in the September following the **fourth** birthday. This is a legal requirement on schools but not on parents who retain a right to defer admission or send their child part time.

5. Patterns of attendance available

- We offer 22 hours per week, if you are entitled to 30 hours funding per week this can be split with another provider. We are closed Tuesday all day and Thursday afternoon. Please see the Pre-School Information pack for more details.

2 Year Olds

The fee for two year olds is £4 per hour. You will be invoiced at the end of each half-term. Payments for sessions will be paid via our on-line payment service, 'School Money'.

Are You Eligible for Free 2 Year Old Funding?

A 2-year-old can get funded childcare if the parent/carer gets one of the following:

- Income Support
- Income-based Jobseeker's Allowance (JSA)
- Income-related Employment and Support Allowance (ESA)
- Universal Credit and your household income is £15,400 a year or less after tax, not including benefit payments
- child tax credits, and your household income is £16,190 a year or less before tax
- the guaranteed element of State Pension Credit
- support through part 6 of the Immigration and Asylum Act
- the Working Tax Credit 4-week run on (the payment you get when you stop qualifying for Working Tax Credit)

Parents must check their eligibility for the entitlement to Early Years Funding for their 2-year-olds. Parents will need their National Insurance number, date of birth, name and child's details. Eligibility can be checked [online](#) or by phone: 0345 155 1013.

Or

A 2-year-old can also get funded childcare if any of the following apply

- they're looked after by a local council
- they have an education, health and care (EHC) plan
- they get [Disability Living Allowance](#)
- they've left care under a special guardianship order, child arrangements order or adoption order

Parents and carers of children with additional needs, foster and adoptive parents should apply online and attach supporting evidence to their application.

The government has extended eligibility for the most disadvantaged two year old children to include three additional groups of children from September 2019.

The new groups of children to be entitled to a funded place are:

- Children of Zambrano Carers;
- Children of families with no recourse to public funds with a right to remain in the UK on grounds of private/family life under Article 8 of the European Convention on Human Rights;
- Children of a subset of failed asylum seekers (supported under section 4 of the Immigration and Asylum Act 1999 – ‘the 1999 Act’)

Parent and Carers of children that would fall in to one of the new categories should discuss applying for the two year old funding with the Early Years Entitlement Helpdesk on 01392 385530 or eyef@devon.gov.uk

Children are eligible to receive the Early Years Funding from the start of the term after their 2nd birthday for a maximum of three funding periods.

Parents/carers cannot apply before the start of the funding period in which the child’s second birthday occurs.

3 & 4 Year Olds

Once children reach the first term after their third birthday, they are entitled to **15 hours of free sessions**. You can choose the 15 hours from any of the sessions (please see opening times). You may also choose additional sessions but these will be chargeable at £4 per hour.

If you are entitled to 30 hours of free childcare, you can select any/all of the sessions we offer.

If you are interested in a place for your child or if you would like to come and visit, then please contact our School Office: Telephone: 01409 221 476 (am) or e-mail:

admin@ashwater.devon.sch.uk

6. School Lunches

- [Free school meals](#) (FSM) must be provided for children (whose parents meet the [eligibility criteria](#)) and if their child attends **both** before and after the lunch time period. This generally means an all-day session. A free school meal will be provided whether the child is attending for funded or bought time and regardless of their age. Parents must check eligibility through the [Citizens Portal](#).
- Children who do not meet the eligibility criteria for free school meals are offered the opportunity to either buy a school lunch or bring a packed lunch.

7. Visiting

- We welcome visits from parents and children who are considering applying for a place here. This is an opportunity for you to see what we have to offer. Visits are not a compulsory part of the admissions process and will not affect decisions on whether a place can be offered at our Pre-school. If you would like to visit Ashwater Pre-School you should contact the school to make an appointment.
- Most children will start at the Pre-school at the start of the term. Other children join us at other times. This may be because they are new to the area or would like to transfer from another early year's provider.

8. How to apply for a nursery place

If you are interested in placing your child in our care we will need you to complete and return the forms that are available from the School Office. To facilitate this process please use the checklist below to ensure we have all the necessary documentation to get you started!

Please ensure that you return all of the following documentation to the school office:

- Foundation Stage Unit Registration Form
- School Data Forms S11
- Foundation Stage Unit Session Request Form
- Birth Certificate (for copy to be taken)

9. Information provided in an application

- We would like all applications to be fully and honestly completed. It is important that where we offer places to some and refuse others we do so fairly and consistently. Where we have reason to believe that information is false and has been provided knowingly, we may withdraw the offer of a place. This is particularly relevant where an address is given which is not the one from which a child will actually attend preschool, and this disadvantages another child.
- If you know or believe that your child's address will change before admission, you must inform the school as this may affect your application.
- You will be asked to provide date of birth evidence so we can check your child's age.

10. Increasing the hours attended

- If a place/session becomes available part way through a term and there is a waiting list, priority for the place/session will be given to the children on the waiting list. If the parents on the waiting list do not want the sessions as the times that are available, then they can be offered to parents of children who are already attending the Pre-School. Similarly, if there is not a waiting list and there are parents of children that already attend the Pre-School who want to either take up additional funded hours and/or buy extra hours then a list of those parents will be made, and the oversubscription criteria will be applied to determine who should be given priority for that place.

11. Admissions appeals

- If a Pre-School place is refused, parents can go through the school's complaints process to express their concerns. The governing body will review the decision and decide whether the refusal was justified on the grounds that the nursery is full. Even if it is agreed that the Pre-School was full, it will also consider the impact on the child and family and may still award a place at the Pre-School if there is both the physical space and sufficient staff available.

12. Transport

- No transport is available for nursery children.

13. Uniform

Pre-school children do not have to wear school uniform. However, if they wish to they may wear a yellow t-shirt and green sweat shirt which are both available to order from the School Office. Please be aware that the children may get messy, when exploring at times, so practical clothes are recommended! If possible the children need to wear sensible shoes, that they are able to fasten themselves.

Children will be learning outside in all weathers, so please ensure they bring a suitable, waterproof coat every day. If they have waterproof clothing and boots they are welcome to leave these in school, to access them when required.

In sunny weather please apply sun cream before the session and provide a named spare bottle of sun cream and a sunhat. The children will be encouraged to apply this for themselves.

Please send children with spare clothes, including pants and socks, in a named bag, in case of accidents. If your child has nappies/pull ups, could these also be included along with wipes/cotton wool.

14. Changes to attendance

- Changes to the times when a child is attending will generally only be agreed to take effect from the start of a term. The oversubscription criteria will be applied to both a) and b) below to determine within each group which children should be given priority. Order of priority for the consideration of unfilled places.
 - a) New applications from parents whose children do not yet attend the nursery.
 - b) Requests by parents whose children attend the nursery, and they want to increase OR change the times their child attends
- It is expected that parents will ensure that their child will attend at the times agreed so that children can establish a routine and be ready to start school.
