Aim High; Be Resilient; Take Care of Each Other

Dear Parents,

It was great to see so many children take part in 'Odd Socks Day' last Friday and if they chose not to wear odd socks, that was OK too because the idea was to celebrate differences as part of Anti-Bullying week. Throughout the week we looked at the theme, 'United Against Bullying'. It was emphasised to the children that we are a 'Telling School' and that they must tell an adult if someone hurts them with their words, hands or feet. Bullying will never be tolerated in our school and we take concerns of children and parents seriously so please do let us know if you have any concerns. In Celebration Assembly we shared the Anti-Bullying Week Odd Socks Day Assembly, which the children engaged well with. If you would like to watch it with your child, it can be found here: <https://youtu.be/6AUB79YxkwQ>

School Staff: As we continue through the Autumn term, staff will occasionally be absent from school due to the usual winter coughs, colds and illness and as you know we are being more cautious this year so absence may increase. This could result in there only being one or a different member of staff in your child's class or group and the usual changing of reading books, giving out of home work and other school routines may not happen on the expected day. If this occurs, please be patient with us as everyone is working very hard to ensure school continues to run as smoothly as possible under very challenging circumstances - thank you for your understanding.

Virtual Parent Consultation: If you have chosen to do this via Zoom, joining instructions will be shared via Class Dojo.

To make transitions between meetings smooth, the teacher will create one class Zoom invite. This means that it is really important that you join just before your meeting is due to start. The teacher will keep you in the 'Waiting Room' until the previous parent has left the meeting. At the end of your meeting, please leave the meeting promptly so the teacher can allow the next parent to join. Teachers will try very hard to keep to time but if there is a delay or any technical hitch, please bear with them. This is the first time we have run a Parent Consultation like this.

Please make sure you use your name / child's name on your Zoom account so the teacher knows who you are. Otherwise, they won't be able to let you in.

This is an important opportunity for teachers to meet with parents to share academic progress and to discuss any pastoral issues. If you haven't yet made a 10 minute appointment, please contact the school office via email or telephone to book this. Meeting times are available as follows. A short report for you to refer to in the meeting will be sent home the day before your meeting.

Class 1 and Class 3 - Tuesday 24th November 1:30 – 6:00 pm

Class 2 and Class 4 – Thursday 26th November 1:30 – 6:00 pm

If you have difficulty with internet connection and would prefer a telephone call, please let the office know and teachers will arrange these with you, they may be at a different time to the sessions above.

Christmas: Sadly, we won't be able to have parents in for the usual events this year but we are working on a plan to make Christmas very special for the children in school and we will be making a virtual Christmas Show to be shared on Class Dojo and Facebook. Christmas lunch has already been planned for Wednesday 16th December and children can wear a Christmas jumper or something Christmassy (even some tinsel) on this day in aid of Save the Children. It is taking a little more thought to organise other activities so a full plan of Christmas events will be shared in next week's newsletter. In the meantime, I can confirm that children can bring in Christmas cards for their friends and details of how and when this should be done will be shared next week.

Vacancies: We have the following vacancies across the Federation, please see our website for details <https://www.thecarey federation.co.uk/job-vacancies-1/>

NSPCC 'Speak out. Stay safe' Virtual Assembly 27th November 2020 On Friday we will be sharing an online assembly and supporting classroom based activities from the NSPCC. 'Speak out. Stay safe' is a safeguarding programme which aims to help children understand abuse in all its forms and to recognise the signs of abuse in a child friendly, interactive way. Children are taught to speak out if they are worried, either to a trusted adult or Childline.

The NSPCC have developed an online version of their Speak out. Stay safe. programme to help overcome some of the challenges that the Coronavirus (COVID-19) pandemic has presented in relation to having external speakers in school. In the online assembly, the Speak out. Stay safe. messages continue to be delivered in a fun and interactive way with the help of their mascot Buddy as well as special guest appearances from Ant and Dec.

We have studied the content of the materials and are extremely confident that they are appropriate for primary-school-aged children. By the end of the programme, we hope children will feel empowered – knowing how they can speak out and stay safe.

If you would like to know more about the Speak out. Stay safe. programme you can find more information on the NSPCC website www.nspcc.org.uk/speakout or I would be happy to discuss any questions that you may have.

Each Friday children are awarded certificates in our Celebration Assembly for making a significant effort to develop one of our Carey Qualities. Last week the following children were awarded certificates. Well done to them all.
